Financing Care in a Skilled Nursing Facility

Medicare

- Coverage is limited as regulated by the government
- Falls under Part A of the Medicare benefit
- Medicare pays fully for the first 20 days if certain conditions are met
- After 20 days, resident and/or supplemental insurance covers the cost (up to day 100)
- Once a resident no longer meets criteria of daily skilled services, Medicare coverage ends

Medicaid

- Federal state government program
- Assists those who have spent down assets on care
- Requires extensive financial information to apply

Long-term Care Insurance

- Consult policy for specifics on long-term care coverage

Veterans Benefits

- U.S. Veterans, and/or the spouse of a veteran, may be eligible for benefits

Skilled Nursing Environment

Room & Living Space

- Staff strives to create home-like environment
- Personalize living space with items from home:
 - Electrical items must be inspected
 - Electric lift recliners must be approved by therapy
 - No items of value or large sums of cash
 - St. Anne's may not be responsible for lost/damaged items
- Restraint-free facility (no bed/chair alarms or siderails)
- Room moves considered based on availability

Visit Your Loved One Often

If you leave the nursing floor → Sign the resident out at the nurse's station

If you travel off the property → Physician's order required prior to departure

If you transport in a vehicle → Therapy must evaluate the resident for safety of transferring in and out of a vehicle

Commitment to Quality

Please Note: Medicare may have restrictions on leaving the property

Safety Measures

- Furniture placement is configured for resident safety
- Room layout changes must be approved by therapy
- Preventative measures are in place to avoid falls
- Bed enablers available, upon approval
- Call bells in each room and throughout building

Dining Services

- Diet is established by the physician
- Choice of entrees and alternatives at each meal
- Non-perishable food may be brought to the facility
- Nursing must approve any outside food or drink
- Dining areas are located on each unit

- Staff provide quality care to every resident
- Physicians are notified of any medical changes, and order appropriate tests
- Common tests can be completed on our campus (ex: labs, EKGs, x-rays)
- IV medications and fluids can be administered to limit recurrent hospitalizations
