

DISCOVER OUR CCRC!

What makes St. Anne's Retirement Community different from other CCRCs? Not only are we a Continuing Care Retirement Community, but we are also a Catholic-Centered Retirement Community honoring all faiths.

Our Continuing Care Retirement Community campus features Residential Living, Personal Care, Skilled Nursing Care and rehabilitation services, including Physical, Speech and Occupational therapies. We are very proud of our Dr. Robert and Anna Roschel Skilled Care Memory Support Center and our NEW Ann B. Barshinger Personal Care Memory Support Center.

While St. Anne's deeply treasures its Catholic sponsorship, identity and heritage, we revere and respect God's presence in all people (approximately half of our residents are non-Catholic). In addition to offering daily Rosary and Mass, the Pastoral Care Department also welcomes Protestant pastors from the surrounding community to preside at interdenominational worship services every Sunday afternoon.

Our campus is beautifully decorated and maintained, providing a comfortable and home-like atmosphere. As a nonprofit continuing care community, our residents and mission will always be our top priorities. We strive to provide residents with a variety of exciting opportunities for health, wellness, spirituality and personal engagement. Our residents also give back to the community by volunteering their time and talents to various organizations.

We're nearby, too. St. Anne's is located in the scenic countryside of West Hempfield Township, just west of Lancaster.

Perhaps it's time to discover what you've been seeking in a retirement community! Come, visit St. Anne's and find yourself home.
